

MRS. E. W. MEANY CLOSES BOOK OF LIFE

(From Friday's Daily.)

Mrs. E. W. Meany died very suddenly at Castle Hot Springs yesterday morning at seven o'clock, her son G. E. Meany, cashier of the Commercial Trust and Savings bank, receiving a message containing the sad and unexpected news soon thereafter.

Mrs. Meany left Prescott November 25th, in company with Mr. and Mrs. F. M. Murphy, her daughter, Miss Helen and Miss Ruth Duto, to spend Thanksgiving with her son H. J. Meany, who is manager of the Castle Hot Springs, and the party concluded to tarry at the springs some time subsequent to Thanksgiving. She was in the very best of health, apparently, at that time and the trip was one purely of pleasure and recreation at an altitude where the weather is supremely delightful at this time of year. And she remained in good health and spirits until Wednesday when she complained of not feeling well, although nothing was thought of it. Wednesday night she seemed to be suffering with her heart, and all at once the sad end came yesterday morning, as a thunderbolt to relatives and friends, especially those who were with her at the springs, and to her son and many friends here when they received the news.

Native of England.

Deceased was born in Cornwall, England, and was married to Rev. Meany, an Episcopal minister who graduated at Oxford before coming to this country. The family came to Prescott and made this place their home in 1889. Later in 1894 they moved to California and after a short residence there moved back to Prescott, where Rev. Meany took up the pastoral duties of the Prescott Episcopal church organization, being instrumental in erecting the Episcopal church building here which has stood ever since as a monument of honor to his hard and faithful services in this field. Mrs. Meany was a member of the church here, as are also the members of her family.

Rev. Meany died at Los Angeles, California, about five years ago and was buried at Ontario, California, and now the remains of his faithful wife will be laid beside him at that place.

The family consists of two sons and two daughters, G. E. and H. J. Meany, Miss Helen and Mrs. F. M. Murphy, all of whom reside in Prescott. G. E. Meany will leave today for Castle Hot Springs and with other members of the family accompany the remains to their last resting place at Ontario.

Expressions of Regret.

There was general regret in Prescott when the news of the sudden death of this good woman was known throughout the city. The departed was one of the most worthy Christian women ever known in Prescott, always of a cheerful disposition and ever ready, willing and anxious to give her voice and hand to works that wrought for the welfare of society and the uplift of mankind. Many were the expressions of regret tendered her son here and communicated to the other sorrowing relatives at the Springs yesterday by Prescott people who have known and appreciated the true worth of the family for many years.

MAGNOLIA CUTS INTO ORE BODIES

(From Friday's Daily.)

The mine work now being carried out by C. R. Wallace on his Magnolia group to the east of this city but two miles distant, is proving to be satisfactory, and the cutting into ore bodies on parallel fissures at the crosscutting goes on, would indicate that when the main shoot is tapped, results may be a surprise.

H. A. Price was in the city yesterday from the camp, and stated several strata had been passed through at a depth of over 100 feet, showing an iron sulphide ore that carried fair values in copper and gold. The objective point is under the main shaft, which will be reached in a few months. Several local mining men have visited the camp, and are recently awaiting the outcome of the undertaking.

FINISHES ASSESSMENT.

(From Thursday's Daily.)

George Uhl has returned from his Hobo group of mines near Iron Springs, after performing a large amount of development, that applies, he says, to annual assessment work. He has closed his camp for the winter, but resumes in the spring.

JEROME REALTY SOLD.

(From Friday's Daily.)

John Harrington has sold to Susan Cota for the sum of \$2000 a certain plot of ground on the Maine mining claim in Jerome, the deed being recorded yesterday. The strip is patented and mineral rights twenty-five feet from the surface were reserved.
